Glenna/Tony/Jess,

FYI, this is a letter I drafted requesting consultation with the Ute Mountain Ute tribe regarding Subpart W. I used a template found in the Tribal Handbook we just received. I asked Tom, Alan and Jon for comments and would welcome any you may have. Thanks

In anticipation of the FR notice of the Subpart W proposal I drafted a letter to the Chairman of the Ute Mt. Ute requesting consultation. I used a template from the Tribal Handbook, but any comments you have would be appreciated. I assume that once the proposal is published we will have a short window to get this out. Thanks.
